JULIAN GUTIERREZ

Implementation and Training Specialist | Dental Imaging Software | Bilingual (Spanish/English)

Chino, CA 91708 | (909) 993-3871 | andressev7n@gmail.com | linkedin.com/in/julian-gutierrez-b2ab2a1aa | andressev7n.github.io

PROFESSIONAL SUMMARY

Onboarded and trained dental practices on imaging software for 6 years, installing and configuring clinical tools, delivering teach-back training, and providing phone support across multiple Southern California client offices. Landed the company's first client accounts and built lasting client relationships through patient, step-by-step instruction in English and Spanish. BAAS in Organizational Leadership (Magna Cum Laude, 3.84 GPA); Johns Hopkins Data and Electronic Health Records certificate; M.Ed. in Instructional Design in progress.

CORE SKILLS

Client onboarding; software implementation and configuration; go-live training; teach-back; job aids; HIPAA-compliant file sharing (ShareFile); scheduling; PreXion3D Viewer; 3Shape; Canvas LMS; Final Cut Pro; AV systems; bilingual Spanish/English

PROFESSIONAL EXPERIENCE

Clinical Trainer and CBCT Imaging Specialist | Mobile 3D Imaging, Southern California

Jan 2018 - Jun 2024 | 40+ hrs/week

- Landed the company's first client accounts and led implementation for dental practices across Southern California, installing and configuring PreXion3D Viewer, 3Shape intraoral scanners, and HIPAA-compliant ShareFile.
- Delivered hands-on, step-by-step training with teach-back verification so doctors and staff could run the software independently; trained in Spanish when preferred.
- Managed multiple client offices at once, coordinating setup, appointment scheduling, and go-live training for each practice.
- Created a one-page CBCT tip sheet as a quick-reference job aid (sample on portfolio: andressev7n.github.io).
- Coached clients by phone, resolving software issues remotely and serving as the trusted technical resource for offices and new technicians.

Congregation Secretary (Secretary of the Body of Elders) | Southern California

2020 - Present | ~10 hrs/week

- Provide administrative support, including purchasing equipment, tools, and accessories for maintenance and projects, with purchase and invoice handling.
- Plan volunteer training events of about 100 people every 5 weeks and larger events twice a year for up to about 600 (menu, catering, seating, decor, AV).
- Led the AV/IT team and managed a congregation internet infrastructure upgrade: recruited and trained volunteers, delegated work, installed equipment, and handled the budget.

Special Education Paraprofessional | Allegiance STEAM Academy (K-8 Public Charter School), Chino, CA

Feb 2025 - Present

- Support students with special needs one-on-one and in small groups, adapting instruction and materials to each student.
- Contribute to a team building a digital career portfolio system for grades 6 to 8.
